## 2. Test Series :

- A. **Monthly Test** – The monthly test enables students to track their progress most efficiently and pay attention to specific sections.
- B. **Mock Test** – It is mandatory for all students to attempt the mock test series after the completion of the syllabus. Each mock test will give you a complete performance analysis, All India Ranking, practice to the updated exam pattern and section-wise performance report.

## 3. Doubt clearance & Feedback sessions :

Students can attend a doubt clearance session with our expert by booking their slot at the nearest Pahal design centre or choose the online mode.

- 4. **Digital Learning Program (DLP):** Access to a digital learning platform which has a complete learning solution for students. The platform will enable students to access video lectures, quiz practice sessions, anytime access to practice sets and tests with more than 5000+ questions. The students will be allotted a unique User ID and Password for their DLP account, which they can log in to from Pahal Digital.com or the PD app.
- 5. **Expert Team:** Each student will get expert guidance for a design career and will be assisted in exploring courses of their interest. The team will also analyse and review the student's progress report and help them improve their performance.
- 6. **Preparation for other Design colleges:** Students can connect with us for design college counselling or inform us regarding the colleges they are applying for, and the Pahal Design Team will provide complete guidance according to the updated exam pattern.
- 7. **Second Round Preparation:** The Pahal Design study material includes preparation for the NID and M.Des second phase as well. Once the student gets the result for the NID first round exam, the studio test box gets delivered to his/her doorstep.

### **CEED second round preparation includes**

- o Video for step-by-step preparation
- o Access to LIVE classes
- o Access to classroom sessions on prior appointment
- o 3D Model Making and Material Manipulation/Studio Test preparation
- o Studio Test Material kit
